

PAR REQUESTS COVER SHEET 2013-2017

REQUEST #1

Year 2013 incidents have been purged through September of 2013 due to the City of Hayward Records Retention Program.

The first report has the total amount of uses of force incidents per year. The second report contains the types of force used. It should be noted some use of force incidents entail multiple types of force used.

REQUEST #2

The first report in request #1 indicates the total number of individuals where force was used for that year. Our tracking system only allows us to input one citizen per use of force incident.

REQUEST #3 AND 4

2013 – Three (3) Citizen complaints regarding use of force. None sustained.

2014- Three (3) Citizen complaints regarding use of force. None sustained.

2015 -Three (3) Citizen complaints regarding use of force. None sustained.

2016- Four (4) Citizen complaints regarding use of force. One (1) sustained finding.

2017- No Citizen complaints regarding use of force.
